Layton Layton & Tobler LLP was, for the second year in a row, named as one of the *Best Accounting Firms to Work for* (2009 & 2010). The annual list of "Best Accounting Firms" was created by *Accounting Today* and *Best Companies Group*.

This survey and award program was designed to identify, recognize and honor the best places of employment in the accounting industry, benefiting the nation's economy, its workforce and businesses. The *Best Accounting Firms to Work for* list is made up of a total of 100 companies, split into three groups: small-sized companies (15-24 employees), medium-sized companies (25-249 employees) and large-sized companies (more than 250 employees). Layton Layton & Tobler LLP has been named one of the *Best Accounting Firms to Work for* in the small category.

To be considered for participation, companies had to fulfill the following eligibility requirements:

- Be a for-profit or not-for-profit business;
- Be a publicly or privately held business;
- Have a facility in the United States;
- Have at least 15 employees in the United States;
- Must be in business a minimum of 1 year;
- Be an accounting firm.

Companies from across the country entered the two-part survey process to determine the *Best Accounting Firms to Work for*. The first part consisted of evaluating each nominated company's workplace policies, practices, philosophy, systems and demographics. The second part consisted of an employee survey to measure the employee experience. The combined scores determined the top companies and the final ranking. *Best Companies Group* managed the overall registration, survey and analysis process and determined the final rankings.
